Like new barely lived in single story home just off River Rd. 1/4 mile to Maybank Hwy on Johns Island. This home is move in ready! Built in 2019 it features 3 bedrooms and 2 full baths. Stand up shower in the master bathroom and shower/tub combo in the guest bathroom. The kitchen has plenty of countertop and cabinet space and has a gas range and built-in microwave. This open floor plan was designed with the guest rooms opposite from the master bedroom separated by the large open great room. Out back you'll find the house backs to woods. Close to all of the shops and restaurants on the Maybank corridor and not far from the beach!
